

Aluminium Roll-Up Table **USER MANUAL**

Please read and understand this manual completely
before operating & using the Aluminium Roll-Up Table.

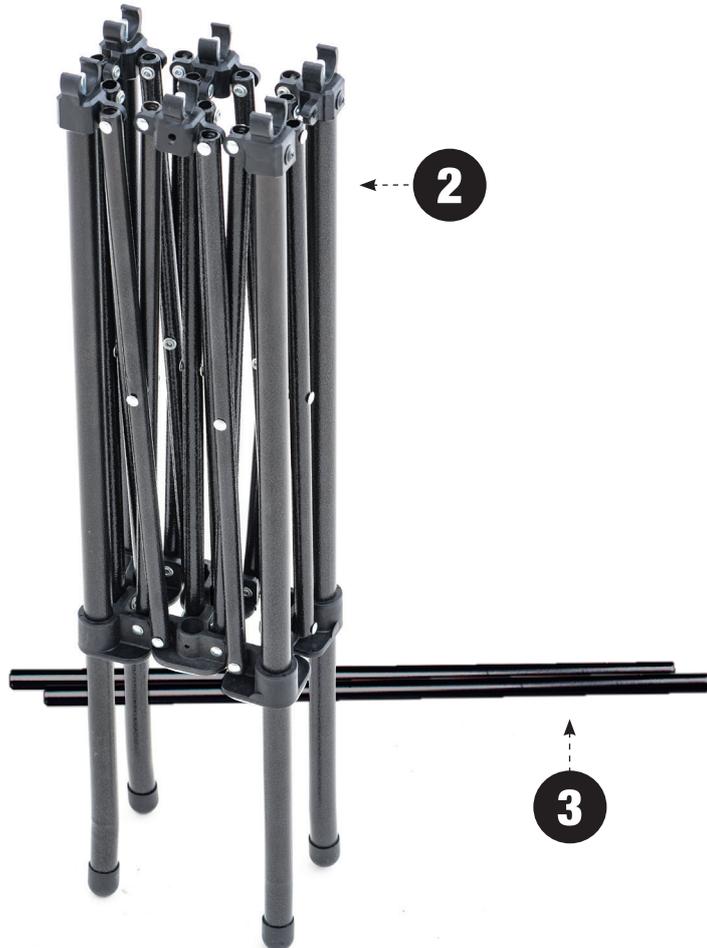

SAFETY INFORMATION

- Take care when setting up the table, the scissor struts and leg sliders can pinch, potentially hurting the user.
- Ensure the table is secure, on firm, level ground and will not tip over when in use.
- Do not put excessive force on the table.

COMPONENTS

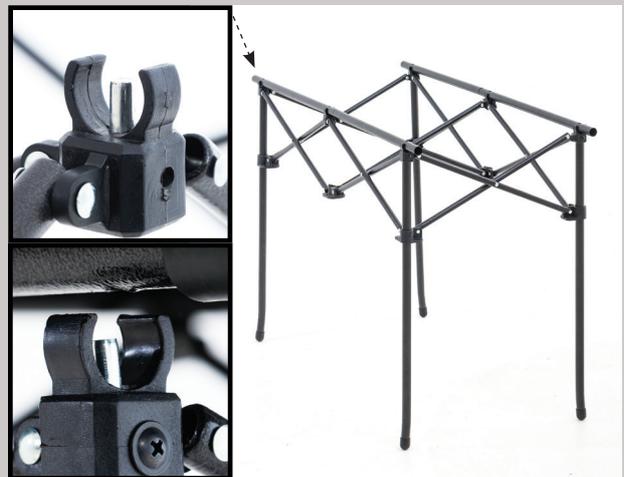

1. Protective Bag
2. Table Frame
3. 2x Support poles
4. Roll-Up Tabletop

INSTALLATION INSTRUCTIONS

UNPACK

1. Unpack the contents from the protective bag.
2. Place the table's frame on its feet and extend out, stopping the leg's sliders at the three-quarter mark.
3. Then, connect the support beams together, align their holes and click into place on the top of the table.
4. Un-roll the tabletop and place it onto the frame.
5. Utilising the elastic, slot the supports into tabletop's sockets located at each end of the table.
6. Attach the two clips in the middle of tabletop and your table is now ready to use.

PACK UP

1. Un-hook the two middle clips from the table.
2. While supporting the frame, pull the 4 sockets off at each end of the table.
3. With the tabletop disconnected, fold the underside of the tables ends onto each other, then fold again, and place into the bag.
4. Next, disconnect the two support beams, pull them apart, and place them into the bag.
5. Finally, compress the frame together and place into the bag.
